Chairman Thompson announced a letter was received from the Department of Election's regarding Candidate Edward Olga. At this time, Chairman Thompson read for the record the letter, informing the Board of Elections that Mr. Edward Olga, Town Candidate for 6<sup>th</sup> District, election scheduled for April 25, 2009, failed to comply with Delaware Title 15, Section 7555 (d). The letter further states Mr. Olga had failed to file a Certificate of Intention, or a Statement of Organization with the Department of Election's, no later than seven days after filing his candidacy. Under Section 7555 (f), the Municipal Act requires "the Board of Election for a municipality shall declare a candidate who has failed to comply with the provisions of paragraph (d) of this section ineligible to be a candidate and shall order his name removed from the ballot subject to the

appeal provision of Section 7552.”

Chairman Thompson asked Mr. Olga if he would like to comment on this matter.

Mr. Olga provided the Board with a document he stated he filed with the Department of Elections.

Chairman Thompson questioned Mr. Olga if February 03, 2009, was the date he signed and mailed the document to the Department of Election’s.

Mr. Olga responded this was correct.

David Lilly questioned Mr. Olga if the document was a copy of his original, and if it was sent certified mail.

Mr. Olga responded it is a copy of his original and that he has several copies. His response to the question on whether or not it was sent certified mail was, “no”.

Town Manager, John Giles verified the filing deadline was February 2, 2009.

Chairman Thompson confirmed Mr. Olga failed to file the document according to the statute, as stated in the letter from the Department of Elections.

Mr. Olga stated he filed the document on February 3, 2009.

#### **PUBLIC COMMENT:**

1<sup>st</sup> District Councilman John Jaremchuk of 300 Southern Road, remarked that removing a candidate from a ballot is very serious. In this case, he felt it would be based upon a technicality in reading the statute. He feels Mr. Olga should stay on the ballot since he filed with the Department of Election’s the proper form. Mr. Olga made representation to the board this was done in a timely manner, but for whatever reason they state it was not received. He further stated there are technicalities on both side.

Chairman Thompson remarked when there is an indication of an administrative error between the State or the Municipality and the potential candidate, the person filing for the position must first appeal it to the Department of Elections, which he believed the candidate has two days to do this. In the case of an administrative error, his appeal would not go to the Board of Elections, but actually to the Commissioner of Elections of the State of Delaware.

6<sup>th</sup> District Councilman John Pasquale, stated the paperwork needed to be

filed seven days from the time he filed in the Town. He further mentioned he made sure that his paperwork was received by the deadline.

The members of the Board of Elections went into Executive Session to discuss the aforementioned.

At this time, Public Session resumed.
